COMMITMENT BY THE CHIEF OF MISSION

1. A mission from a nation that does not confirm their participation by sending the final entry may be excluded from the championship, if their unplanned arrival poses serious problems to the organising country.
2. The missions, which do not wear military uniform during the opening ceremony of the championship, will not be authorised to take part in this championship. The Official CISM Representative will communicate this decision.
3. At respect of the statutes and traditions of CISM, any political or ethnic activity during an event of CISM, is expressly forbidden, particularly, the distribution of propaganda documents, photos, brochures, magazines, etc. Any offence will be severely penalised by the expulsion of the delegation.
4. The athletes and other team members have to conform to the rules and dispositions of CISM. In case of lack of sporting spirit they will be submitted to trial by the authorities responsible for the organisation of the championship, and the result can be the disqualification of the athletes or teams in question.

I herewith declare to do my utmost to guide the mission I am responsible for in the spirit of mutual understanding and friendship through sport and to fully respect the official CISM rules. I also declare to promote and enforce the CISM spirit, a spirit that is represented by a friendly attitude towards the other missions, courtesy towards the organisers and, last but not least, fair play in the competition.
